

STEP 1

You will need 2 pieces of card, scissors & glue.

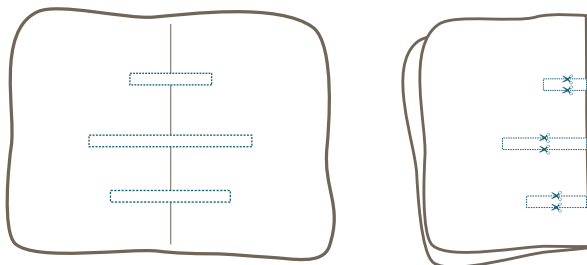

STEP 2

Decorate & cut-out your pop-up pieces or make your own

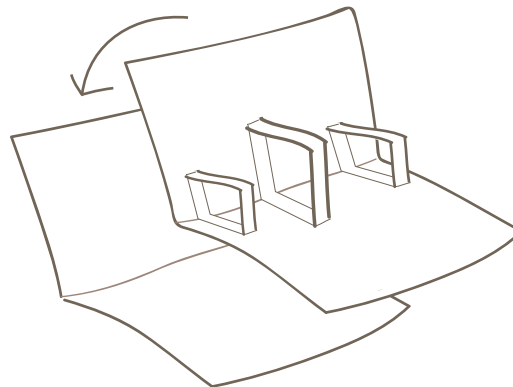

STEP 3

Fold pieces of card in half & mark 3 strips across the fold. Make cuts along sides of guidelines only.
TIP: You can print the guide sheet

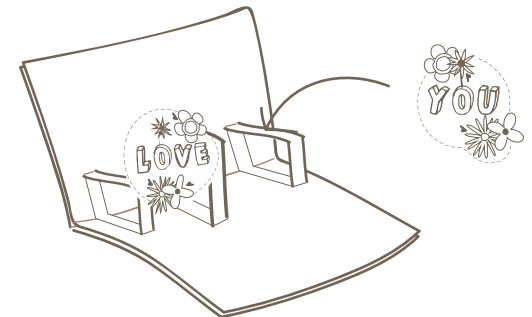

STEP 4

Push out flaps where you have made your cuts and stick pop-out sheet onto the other piece of card. This will make your card strong.

STEP 5

Stick your pop-up pieces on the front of each flap. Seal with a kiss!
